

Master List Builder eZine Package

Private Label Rights Terms and Conditions

Note: the license and instructions you are reading now must be passed on, without alteration, to your customers if you are reselling the Private Label Rights. You may ignore this instruction if you are only selling the product without Private Label Rights.

With the **Private Label Rights** (and **Master Rights**) to this product, you can do any or all of the following:

1. **Start your own eZine (or online newsletter).** Set up your Lead Capture Page (or Landing Page or Name Squeeze Page), One Time Offer (optional), and Thank You page with your free report ready for download. Later, drive targeted traffic into the Lead Capture Page and build your mailing list!

The Free Report

2. **Convey Master/Give Away Rights to the report.** You can sell or give the report away for free or at any price you wish (PDF format). You can also give the report away as a bonus to another product you are selling, bundle into a package, or add into a membership site. If you want to make this report freely available, you can submit it to several eBook directories.
3. **You can chop the report into multiple contents and articles.** Rewrite and add in your resource box and submit to article directories for free traffic and exposure.
4. **Give the free report away for free in exchange for your visitor's name and email address.** Build your list this way using the Lead Capture Page to do this task for you.
5. **You can re-title, put your name as the author, edit the contents, and put in your links and affiliate links.** The report is made available to you in .doc format as well so you have the Private Label Rights to it!

The eZine Issues

6. **Add content to your eZine.** You can edit, add, remove, or change titles of the pre-written eZine issues. This way, you can now start your own eZine of your

own without much hassle and easily dispense quality information to your subscribers.

7. **Submit to article directories.** Rewrite the articles and include your resource box before you submit them to article directories.

One Time Offer (Optional)

8. **Insert your own One Time Offer in the One Time Offer page.** You can get a chance at making money from your new subscribers upfront by inserting your One Time Offer sales letter so that your prospect will read it before downloading the report.

Private Label Rights

9. **You can resell the Private Label Rights to the source code.** The suggested selling price is \$197.00. Your customer can in turn resell the Private Label Rights, too.

The **restrictions** are:

1. You **CANNOT** give away the Private Label Rights to the product for free.
2. You **CANNOT** under any circumstances offer more than 2 Private Label products from the PLRGold package in a bundled package, paid membership site, or bonus.

7. All web site links (URLs) **MUST** point to business related web sites. In other words, **no** porno, gambling or other unrelated business web sites.
8. You are **responsible** for customer service.

9. Any violation of this agreement will be subject to a revoking of this license in which case all monies paid will be *forfeited*.
10. This constitutes the entire license agreement. Any disputes or terms not discussed in this agreement are at the sole discretion of Edmund Loh and PrivateLabelRightsGold.com.
