## Introduction

As you may already know the Internet Marketing niche is a small market with a ton of competition. So it is important to make sure you present your target audience with the most powerful selling points of your IM product.

In this report I list 20 powerful benefits that most marketers look for in an Internet marketing product. Each one comes with a number of copywriting examples. They will give you a bunch of different ways to describe the benefits of your IM product.

### 1) Increase Your Sales

Tell your prospects that your product will increase their sales. It's almost always number one on a business's list.

There are many different phrases you can use to express it like:

raise your profits	boost your riches
maximize your returns	magnify your bottom line
multiply your revenue	strengthen your funds
skyrocket your earnings	stimulate your wealth
soar your finances	widen your cash flow
springboard your income	thicken your bank account
triple your money	swell up your capital
propel your orders	amplify your commissions
enlarge your deposits	expand your conversions
inflate your finances	blow up your sales numbers
income streams	

### 2) Increase Your Traffic

Tell your prospects that your product will increase traffic to their web site. The more people that visit the more direct and indirect sales they will get.

Here are a bunch of ways to say it:

accelerate your clicks	amplify your web site viewers
balloon your ad copy spectators	build up your clickthroughs
catapult your blog readers	elevate your traffic ranking
boost your search engine position	add to your opt in sign ups
blow up your co-reg sign ups	double your referrals
broaden your JV partners	enlarge your emailing list
erupt your autoresponder opt ins	explode your traffic
escalate your forum participates	expand your leads
ignite your visitors	multiply your mailing list
increase your E-zine subscribers	soar your hits
widen your audio listeners	raise your affiliate force

enlarge your resellers	propel your video viewers
inflate your click through rates	triple web site shoppers

### 3) Automate Your Income

Tell your prospects that your product will help them make automated income. Businesses like 'set and forget income that they only have to promote once and it comes in every day, week, month, quarter or year.

Here are a few examples:

consistent revenue	constant royalties
steady income	dependable sales
lifetime orders	continual payments
reliable wealth	eternal riches
perpetual profits	everlasting earnings
permanent revenue	infinite royalties
continuous sales	regular commissions
passive wealth	reoccurring riches
residual profits	long lasting earnings
stable revenue	continual royalties
duplicated income	repetitious sales

### 4) Defeat Your Competition

Tell your prospects that your product will help defeat their competition. The less competition they have the more money they will usually make. There are many different ways to say competition like adversaries, challengers, opponents, competitors, foes, enemies, rivals, nemesis etc.

Plus there is a ton of words that mean "defeat" your competition.

Here is a list:

baffle	bash	beat	belt	clobber	conquer
