

Terms And Conditions

Congratulations! You have just made a very smart investment. Instead of buying another how to course, or instructional video that will simply review what you already know. You invested \$197 of your hard earned money into something you can actually make money with AND something that demands you to take action!

And taking action is exactly what you should be doing as soon as you read and fully understand the terms and conditions below:

1. When you purchase this package, you will get **non exclusive** Private Label Rights to the products in the “Niche Beast” package. This means that you are not the only one allowed to sell these products and other people (499 other people) can also buy the “Niche Beast” package and get Private Label Rights to the same products as you.
2. **We do not** make any guarantees that you will earn any money with any of the products in the “Niche Beast” package, your income will depend solely on your own efforts. It is impossible for us to guarantee that you will make any amount of money with this Private Label Rights package. Simply because we do not know you, we do not know how hard you work, how much effort you will put into your business or your skill level.
3. **You are responsible** for providing customer service to your own customers.
4. **You may not** put our names (Dima Sorokine, Max Rylski, Dustin Struckman) on any of the products included in this package or use our names in any way to help you sell anything.
5. **You may not** give away our contact information to any of your customers. **Again:** you are responsible for customer support for your own customers.

And if you are planning to offer the Private Label Rights to any of the 12 products in the “Niche Beast” package to **your opt-in list:**
